[bySIBPA] Celebrazione del 50° anniversario SIBPA

SIBPA

Società Italiana di Biofisica Pura e Applicata

Celebrazione del 50° anniversario
Genova – 15 dicembre 2023

Per il 15 dicembre ci sarà una giornata celebrativa dei 50 Anni della SIBPA a Genova presso il Palazzo della Borsa. All'evento saranno presenti Carlo Maria Becchi, Ranieri Bizzarri, Martino Bolognesi, Armando Carpaneto, Martin Chalfie, Giuliano Colombetti, Franco Conti, Mauro Dalla Serra, Alberto Diaspro, Franco Gambale, Daniela Giacomazza, Giorgio Giacometti, Alessandra Gliozzi, Francesco

XXVIII School of Pure and Applied Biophysics
February 5-9, 2024

MOLECULE
IN (ter)ACTION

VENICE - Palazzo Franchetti

Dear All,

The deadline to register to the "XXVIII SCHOOL OF PURE AND APPLIED BIOPHYSICS" is approaching! Hurry up! Few sits are still available.

"Molecules in(ter)action: from nano to macroscale"

This Biophysics school is organized by SIBPA in collaboration with the Istituto Veneto di Scienze Lettere e Arti (IVSLA).

This year's theme will span from cuvette experiments to in vivo, exploring the fascinating world of biomolecular interactions from physics perspective.

[CfPo] Lectureship in Chemical Biology, Durham University, UK

The Department of Chemistry at Durham University seeks to appoint a talented individual to the role of Assistant Professor. We welcome applications from those with research and teaching interests in the broad field of Organic Chemistry. We are particularly keen to hear from applicants who will strengthen and/or complement our existing strengths in chemical biology including medicinal chemistry, agrochemistry, biomaterials and biocatalysis.

Closing Date: 10th December 2023, 11:59:00 PM Anticipated Start Date: October 2024

Permanent, subjected to 1-year probation period Full Time: 35 hours per week

Salary: Grade 8, £45,585 – £54,395 per annum
