## [bySIBPA] XXVIII School of Pure and Applied Biophysics

**XXVIII School of Pure and Applied Biophysics**  
**February 5-9, 2024**

**MOLECULE**  
**IN *(ter)* ACTION**

**VENICE - Palazzo Franchetti**

Siamo lieti di annunciare che abbiamo completato le selezioni per la scuola di Venezia; qui potete trovare i dettagli <https://venice2024.ibf.cnr.it/>

## [CONGR] European Joint Theoretical/Experimental Meeting on Membranes

It is our pleasure to invite you to join us for the next EJTEMM (European Joint Theoretical/Experimental Meeting on Membranes) conference that is going to take place between **June 12-14, 2024** in Debrecen, Hungary. The web page of the conference is <https://tinyurl.com/6twm6f64>

EJTEMM is a topical conference devoted to the biophysical and cell biological aspects of membrane research performed experimentally and in silico.

**Registration and abstract submission will be open from Jan 15, 2024.**

Looking forward to meeting you in Debrecen.

Best regards,

Peter Nagy, György Vámosi am University, UK

## [WS] Computer Simulation and Theory of Macromolecules

Società Italiana di Biofisica Pura e Applicata  
fondata nel 1973

Dear biophysics friends,

Also in 2024 we will organize our 'Computer Simulation and Theory of Macromolecules' workshop to discuss recent advances in theory and application of biomolecular simulations. As usual, our aim is to promote and facilitate the exchange among the biomolecular theory and simulation communities of Germany and beyond. By organizing the workshop in a hybrid format, we strive to be most inclusive also for attendees who might find travelling difficult and hope for lively discussions and knowledge exchange both on-site and online!

We therefore cordially invite you all and in particular your students and postdocs to participate in the upcoming meeting on **April 19-20, 2024**.

As is tradition, the meeting will be held in the Hünfeld Monastery right in the center of Germany. The virtual option will allow for joining the presentations via a video conferencing tool. We will offer a poster session on-site on Friday evening for a limited number of posters and will provide a virtual poster gallery including posters from virtual and on-site participants.

We consider it an important feature of the workshop to offer affordable accommodations and meals to make it easier for students, graduate students, and postdocs to attend on-site. Note that, at this stage, the reservation of your accommodation is not yet binding, and no immediate payment is requested. In case accommodation at the Hünfeld Monastery is already fully booked at the time of your registration, we will kindly ask you to organize your accommodation externally by yourself. Online participation is free of charge.

Registration fees:

	1-Day conference fee incl. meals	2-Day conference fee incl. meals	Accommodation in single room incl. conference fee and meals	Accommodation in shared double room incl. conference fee and meals
Price	€ 70,00	€ 140,00	€ 180,00	€ 155,00

---

You are all cordially invited to register your contribution (poster or talk) or participation only by completing our online registration:

<https://survey.academiccloud.de/index.php/516177?lang=en> at your earliest convenience but by **February 15, 2024** at the latest.

With our best regards,

Volkhard Helms, Helmut Grubmüller

PS: For further information on presentation formats and the final meeting setup, please refer to <https://www.mpinat.mpg.de/workshop/huenfeld>
